

## CLASS:-11<sup>TH</sup>,POLITICAL SCIENCE

### Question 1.

**What are the privileges of the members of the Parliament?**

**Answer:**

- A member of the parliament has full freedom of speech in his house.
- No member can be arrested during the session of parliament except on the basis of an offence of criminal nature and the prior approval of the speaker or chairman.
- A member cannot be prosecuted for its speech or behavior in the house in any law court.

### Question 2.

**What is an Adjournment Motion?**

**Answer:**

- The Adjournment Motion is introduced either in the Lok Sabha or the Rajya Sabha or in both the Houses.
- It is to invite the attention of members towards the serious problem or even by suspending the routine work of the House.
- Mostly, council of ministers oppose it because it can expose the policies of government or opposition gets an opportunity to criticize the government.

### Question 3

**Throw some light on the relationship between Governor and the Legislative Assembly.**

**Answer:**

- The Governor exercises the power either to call the session or to suspend or to end it.
- The Governor addresses the Legislature and can send message to it.
- He signs all the bills passed by the Legislative Assembly and no bill can become a law without his sanction.
- He can dissolve the Legislative Assembly and arrange for new elections.

### Question 4

**Give some arguments in favour of Uni-cameral legislature.**

**Answer:**

- Uni-cameral legislature helps to maintain uniformity and unity of legislature as well as the people cannot have two opinions at a time on the same subject.
- Uni-cameral proceedings save money and time because the salaries paid to the members of other house, can be used in some other useful works as well as any bill is not sent to any other house which saves time also.

### Question 5

**What is a Bi-cameral legislature? Explain.**

**Answer:**

**A Bi-cameral legislature is a two-chambered legislature:**

- **The second chamber has its merits and demerits both.**
- **Bi-cameral system is getting popular now-a-days due to its merits.**
- **In countries like India, USA, UK, Switzerland, Canada, the Bi-cameral Legislature is experienced.**
