CHAPTER:- 08, LOCAL GOVERNMENTS

What is local Government?

- Government at the village and district level,
- Closest to the common people
- Involves the day-to-day life and problems of ordinary citizens.
- Believes that local knowledge and local interest are essential ingredients for democratic decision making Also necessary for efficient and peoplefriendly administration.

Advantage of Local Government

- It is so near the people.
- Convenient for the people to approach the local government for solving their problems both quickly and with minimum cost can be very effective in protecting the local interests of the people.
- It is at the level of local government that common citizens can be involved in decision making concerning their lives, their needs and above all their development.
