

PAINTING STUDY MATERIAL FOR CLASS 11TH BASED ON NCERT

RADHAKISHOR MONDAL Date : 06/09/20

Tone of the colour :

This is the lighter and darker form of the colour . For this, you mix the white in the base colour to get lighter tones of that particular base colour and darker tones after mixing the black colour. How much lighter or darker tone you want to obtain, Mix the appropriate ratio of the black or white colour in the base colour.

Ashleigh Benn

Texture :

This is the characteristics of the surface on which you paint or draw the picture. It could be smooth, rough , dotted or linear in pattern .
