The Art forms :

There are two types of art forms :

- 1. Traditional Art**
- 2. Modern or contemporary Art**

1. Traditional Art :

In this art form, limited technique , medium, methodology and the subject – matter are used in a particular area with some prevalent religious and cultural beliefs . The scope of this art form also limited. A minor change would be observed for a long period of time. So this is a typical type of art form.
