

CLASS:--12TH, HISTORY NOTES , CHAPTER:- 1

1. Ancient Authority

- There are indications of complex decisions being taken and implemented in Harappan society.
- **Places and kings:** A large building found at Mohenjodaro was labelled as a palace by archaeologists but no spectacular finds were associated with it. A stone statue was labelled and continues to be known as the “priest-king”.
- Some archaeologists are of the opinion that Harappan society had no rulers, whereas other archaeologist feels that there was no single ruler but several rulers, Mohenjodaro had a separate ruler, Harappa another. While some believe that there was a single state.
