### **Arenas of the cold war/-**

- 1. The cold war also led to several shooting wars & it did not lead to another world war.**
- 2. Korea (1950-53), Berlin (1958 - 62), the Congo (the early 1960s)**
- 3. The other important development was the Non-aligned Movement (NAM) & it means not to join in any group.**
- 4. It played a role in reducing cold war conflicts, Which gave the newly independent countries a way of staying out of the alliances.**
- 5. Jawaharlal Nehru — one of the key leaders of the NAM — played a crucial role in mediating between the two Koreas.**
- 6. The Cold War did not eliminate rivalries between the two alliances, mutual suspicions led them to arm themselves to prepare for war..**
- 7. The US & USSR decided to work together in eliminating certain kinds of nuclear& non nuclear weapons.**
- 8. They signed 3 agreements — limited test ban treaty (5 aug 1963) nuclear non— proliferation treaty (1 July 1968) & the anti ballistic missile treaty.**
