CLASS—12, C.C.A.

DATE-28/05/2021, Teacher—L.P.SINGH

C.C.A.

Modern way of living has put a question mark to our existence in the world. Natural calamities destroy the ingredients of our survival time and again. Even then we don't think of our inhuman works done to bring disaster. Being a responsible inhabitant and beneficiary of nature you must do something to preserve the balance between man and nature. Write an article mentioning your own views on “ **How to save Human Existence”.**
