## ACKNOWLEDGEMENT

It is highly privilege for me to express my deep sense of gratitude to all those faculty members who helped me in the completion of this project. Especially our internal guide and who has always there at hour of need.

This project has been developed in very short period of time. So lam sure that errors and limitations remain to be found in documentation of this project. However, they are mine and mine only. I will greatfully accept from readers and corrections, criticism and suggestions for improvement of this project.

I will like to give a

special mention to my fellow trainees. Last but not the least I am grateful to all the staff members of my school for their support.

#### INTRODUCTION

The era of cold drinks began in 1952 but the industrialization in India marked its beginning with launching of Limca and Gold spot by Parley group of companies. Since, the beginning of cold drinks was highly profitable and luring, many multinational companies launched their brands in India like Pepsi and Cola.

Now days, it is observed in general that majority of people viewed SPRITE, MIRINDA AND LIMCA TO GIVE FEELING OF LIGHTNESS, WHILE PEPSI AND THUMPS TO AVTIVE BRAIN AND PULSE.
