Weather

Weather is the condition of air of a place at a particular time. It does not always remain the same. It changes time to time. The air around us keeps changing sometimes. It is hot, and sometimes cold.

When the Sun shines brightly the weather will be hot. It is a Sunny Day. We like cold things to eat and drink. We wear cotton clothes on a hot day. We like to live in a fan, cooler or air condition.

Sunny day

Cold day

The sun rays are not very hot on a cold day. We like hot things to eat and drink. We wear woollen clothes. We like to live near bonfire or room heater.

Rainy day

On a rainy day, the sky is cloudy. The sun can hardly be seen due to cloud. We use umbrellas and raincoats when it rains. Sometimes rainbow can be seen in the sky.

Sometimes strong wind blows. It is a windy day. Sometimes it may be a storm. The trees keep swaying. Sometimes the trees, lamp posts and old buildings fall. We should not go outdoors on a stormy day.
