Chapter-5, School is Fun

Our school:

- **In school we learn to read ,write, count ,draw, Sing and work together.**
- **There are different places in a school to do various activities.**
- **School functions are held in the auditorium.**
- **There are many classrooms in a school.**
- **We should keep our school clean.**

Our classrooms:

- **We study in a classroom.**
- **A classroom has many desks and chairs ,display boards and the black board or a white board.**

Other places in school:

- **We play in the school playground.**
- **We go to library to read and borrow books.**
- **We go to the computer lab to learn about computers.**
- **We go to the music room to learn music.**
- **We eat lunch in the school canteen.**

- *We go to the medical room if we feel unwell.*

Homework-Write these in your notebook clearly and read chapter -5 .
