Chapter-13

Plants around us

Points to remember:-

1. Types of plants:-

- a. **Trees- Plants that are big and tall are called trees.**
- b. **Shrubs- Shrubs are the plant that are shorter than trees.**
- c. **Herbs- Short plants with soft, green stems are called herbs.**
- d. **Climber- Some plants cannot stand straight and need some support to climb. They are called climbers**
- e. **Creepers- Some plants creep on the ground . They are called creepers.**

Look at the picture of the plant and read the names of its parts.
