Chapter - 11

*** SERVICE IN THE NEIGHBORHOOD ***

- ***We need different services in our surroundings where we live in .***
- ***Our neighborhood has different services like the post office , bus stop , market , bank and hospital .***
- ***These services fulfill our needs and make our life easy .***

Post office

- *The post office is an important means of communication . It helps keep in touch with our relatives and friends .*
- *The postman Clarks letters from the letter box . Postman takes these letters to the post office . Letters are sorted out at the post office .*
- *Bijali letters are sent to different places . Stamps , envelopes and post cards are sold in the post office . Envelops of our letters must have stamps before posting them . name and address of the receiver of the letter should be written clearly on the envelope and postcards .*

Don't write only read it .

1. Answer these questions .

(a) What does a postman do ?

Answer = The postman do deliver the letter.
