PATTERNS IN NUMBERS

Like patterns with shapes, we have patterns with numbers also. Observe the following numbers. They also follow a pattern.

2, 4, 6, 8, 10, 12, 14

Here, the difference between the two consecutive numbers is 2.

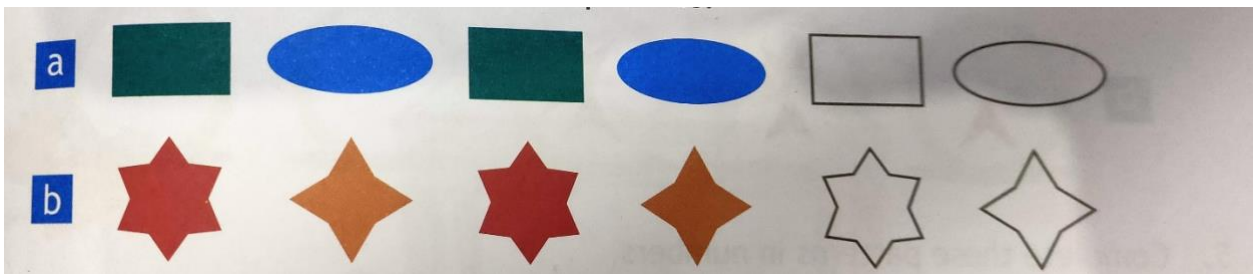

Now, observe

1, 1, 1, 2, 2, 2, 3, 3, 3, 4, 4, 4

Here, numbers 1, 2, 3 and 4 are repeated three times.

Exercise-

1. Follow the patterns and colour the pictures.

2. Follow the patterns of numbers and fill in the missing numbers.
