MY BEST FRIEND

I have a best friend.

My best friend's name is Ranjan.

He reads in class five in my school and in my section.

Ranjeet is a well-mannered boy.

He is very good at his studies.

I play with my best friend at lunch break time.

All of my teachers love him very much.

My friend is very helpful to others.

I like him and love him very much.

We also share our tiffins.

Thanks a lot to God, for giving me, such a nice friend.
