CHAPTER-10 TIME

Page no.-167 and 168

UNITS OF TIME-

- **24 hours =1 day**
- **7 days =1 week**
  Question- Write the names of seven days in a week.
- **365 days = 1 year =52 weeks**
- **12 months =1 year**
  Question- Write the names of 12 months in a year.
- **Leap year- In an ordinary year , we have 365 days but once in every 4 years we have 366 days in 1 year . That is called a leap year.**
