REVISION

The Cow

The poet, Robert Louis Stevenson,tell us about a cow who loves to roam around in peace and be happy. Let's read the poem to find out more.

The friendly cow all red and white,

I love with all my heart;

She gives me cream with all her might',

To eat with apple tart.

She wanders lowing here and there,

And yet she cannot stray,

All in the pleasant open air,

The pleasant light of day;  
And blown by all the winds that pass  
And wet with all the showers,  
She walks among the meadow grass  
And eats the meadow flowers.
