Word problems

C. I went to watch a movie at half past 2 and I watched the movie for three hours. What time did the movie get over?

Solution-Half past 2 means-2:30

$$2:30 + 3 \text{ hours} = 5:30$$

The movie get over at half past 5.

D. It takes Mr. Punit 1 hour 30 minutes to reach his Shanti Kunj house . If he leaves at 10 O'clock, when does he reach his Shanti Kunj House?

Solution- 10 :00 + 1 hour 30 minutes=11:30

He will reach Shanti Kunj at 11:30
