

**VIDYA BHAWAN BALIKA VIDYAPEETH, LAKHISARAI**

**CLASS-2**

**SUBJECT-E.V.S.**

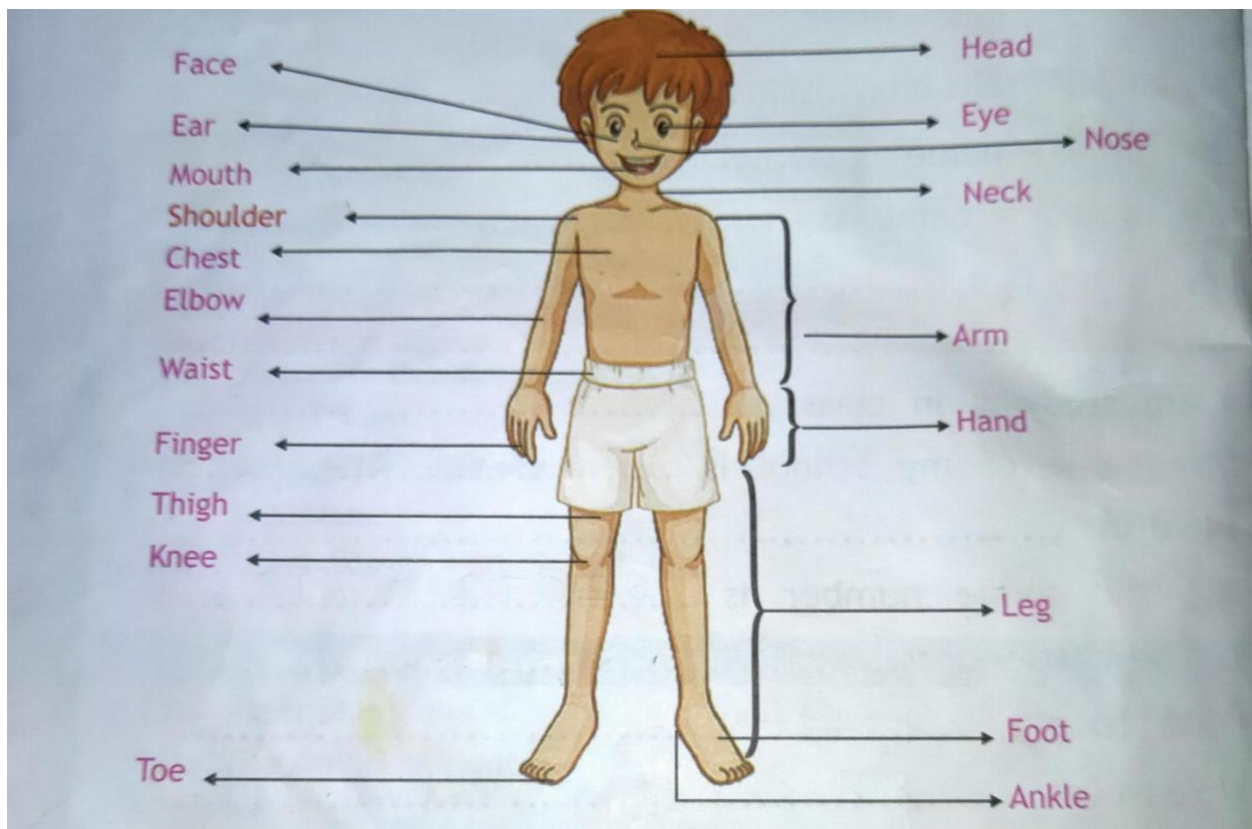

**DATE-08-04-2021**

**BY-KIRTI KUMARI**

**BASED ON NCERT PATTERN**

**CHAPTER-2 , OUR BODY**

**Our body has different parts. These parts help us to do many things. There is a picture of a boy.**

**Functions of different parts of our body:**

- 1. Teeth- We bite and chew with our teeth.**

- 2. Hands & Arms- We touch , hold and lift things with our hand and arms.**
- 3. Legs and feet- We use our legs and feet to stand , walk , run , kick and jump.**
- 4. Ears- Our ears help us to hear.**
- 5. Nose- we breathe and smell with our nose.**
- 6. Tongue- We use our tongue to speak and taste.**

**Homework-Write the points in your notebook and remember it.**
