Stick the **L** sticker for living things and the **NL** sticker for non-living things and colour the pictures. Stickers are provided on the sticker page.

The worksheet features 12 line drawings arranged in a grid-like fashion. Each drawing is accompanied by a small, empty square box, likely for a sticker. The drawings include: a palm tree, a mobile phone, an elephant, a girl holding a bouquet of flowers, a baby sitting on the floor, a round clock face, a balloon, a small table, a cat sitting down, and a wooden chair. The instructions at the top of the page are: "Stick the **L** sticker for living things and the **NL** sticker for non-living things and colour the pictures. Stickers are provided on the sticker page."
