CHAPTER – 2 MILLER , HIS SON AND HIS DONKEY (lit book)

VOCABULARY

Transition words and phrases

Transition words and phrases help to connect sentences in a paragraph when the events unfold one after another, in a sequence. For example

first then next finally in the end

A. Sequence the events in the correct order.

1. The apple tree grew old and stopped bearing fruit.
2. The farmer was stubborn and refused to listen.
3. Once upon a time a farmer, lived beside a forest. He owned a big apple tree, which gave him lovely ripe apples every season.
4. The animals who lived on the tree came rushing and crying when they saw their home being destroyed.
5. The little animals said, 'We will sing for you and your son when you work on the fields. You will like our songs and not feel tired.'
6. The farmer decided the tree was useless and decided to cut it and use the wood to make furniture.
7. The farmer did not cut the tree as he wanted his son to enjoy living next to the tree and its friendly animals.

B. Use the words in the box to link the sentences given on the previous page in a paragraph.

first then next after that finally

FIRST READ THEN CHOOSE THE CORRECT NO. AND WRITE ANSWERS IN BLANK LINES SPACES
