In previous class you got knowledge about sentence and its kind. There are four kinds of sentence in which the first kind of sentence is **Assertive sentence or Statement.**

**An** Assertive sentence shows simple statements or give answer of the question.

**An** Assertive sentence always starts with suitable then verb and ends with the punctuation Mark full stop (.)

Structure:- Subject +verb+ object +other word +(.)

Ex:- I live at lakhisarai.

You can do this work.

Girls are going to college.

Patna is the capital of Bihar.

India is the most beautiful country of the world.

Today one more topic you will know that is **phrase**

**A phrase** is a group of words that makes sense but not complete sense.

We make sentence larger by the help of a phrase.

**ex- in the morning**

**on the roof**

**at the gate**

**with me**

**beside garden**

**In the morning is a phrase because this is a group of words and it has sense but not complete sense .**

**With the help of phrase we make sentence larger.**

**Ex- you play **in the morning**.**

**She sits **beside me**.**

**Girls are dancing **in the class**.**

**H.w:- To write CW and remember definition of phrase and Assertive sentence.**
