Chapter-6, SAFETY AND FIRST AID

Quick scroll

Read and learn the points-

- Accidents take place when we are careless or are in a hurry.
- Accidents can be avoided by the following safety rules at home, at school, in playground and on road.
- The first and immediate help given to a patient before the arrival of a doctor is called a first aid.
- We must learn to give first aid to an injured person.

Key words

Read, write and Remember the points-

- **Zebra crossing-** White and black lines made on road from where pedestrians cross the road.
- **First aid-** The first and immediate help given to a patient before the arrival of medical help.
- **Antiseptic** – A chemical which kills germs.
