BY-KIRTI KUMARI

BASED ON NCERT PATTERN

Chapter-4, I love my India

B. Write T for true or F for false .

1. The Arabian sea lies to the east of India . -F
2. India has one central government and many state governments. – T
3. No person above the age of 18 can vote in India. -F
4. The Prime minister lives and works in New Delhi. -T

C. Answer these questions.

1. Write the names of any five neighbouring countries of India.

Answer- The five neighbouring countries of India are:

1. Pakistan
2. Afghanistan
3. Nepal
4. Bhutan
5. China

2. Which are the two types of government in our country?

Answer- The two types of government in our country are:

1. State government and
2. Central government

3 . Why is our country divided into states?

Answer- For a big country like India it is difficult for the central government to look after the needs and welfare of the whole country . So state government looks after the welfare of people living in a state.

4 . How are Union territories different from states ?

Answer- States have their own selected government while the Union territories are governed by the Central Government.

Homework-Write the Q/A of ch-4 and remember it.
