CLASS-3

SUBJECT-E.V.S

DATE-11-04-2021

BY-KIRTI KUMARI

BASED ON NCERT PATTERN

Think and answer

B. Complete the sentences.

1. All man-made things are non-living.
2. Natural things can be both living and non- living.
3. Plants reproduce through seeds.
4. Leaves of touch-me-not plant fold or shrink when we touch it.
5. Non-living things move when we apply force on it.

Homework-Write it clearly in your notebook and remember it.
