Chapter-6, SAFETY AND FIRST AID

C. Answer the following questions:

1. Why should we follow safety rules?

Answer- We all must follow some safety rules to live a healthy and happy life.

2. Why should we not scatter our things on the floor?

Answer- We should not scatter our things on the floor as we can get slipped and get injured.

3. Why should we not play near bushes?

Answer- We should not play near bushes because they may have thorns or mosquitoes.

4. What is first aid?

Answer-The first and immediate help given to an injured person before the arrival of medical help is known as first aid.
