Chapter:-17

How we communicate

C. Answer these questions.

1. How did Early humans communicate?

Answer:- Long ago , Early humans used signs and sounds to communicate.

2. What is the difference between personal and mass communication?

Answer:- We can choose how we want to communicate with a person or with a few people. This is called personal communication.

When a message has to be delivered to a large number of people , it is called mass communication.

3. What are the advantages of using an email?

Answer:- An email is very fast and can be sent anywhere.

4. How can a message be sent to a large number of people?

Answer:- A message can be sent to a large number of people through mass communication.

Homework-Write and Remember.
