BASED ON NCERT PATTERN

10 ways Kids can help the Earth:

1. Take a short shower.
2. Plant a tree.
3. Use both sides of paper.
4. Wrap gifts creatively.
5. Use hand towels instead of paper towels.
6. Buy products made from other recycled products.
7. Turn off the water while you are brushing your teeth.
8. Get your own reusable water bottle.
9. Use eco friendly products.
10. Pick up litter.

- Include these habits in your lifestyle.
