Lesson:3

Shadow and Carly

This story is about animal's friendship specially about cat.

In this story five cats have been mentioned: Shadow, Carly, Isabel, Theo, and Scamp.

Cats ,tigers, Jaguars, leopards, and cheetahs all belong to the same family.

Pet cats and small cats are called small cats and others are called big cats.

All cats are carnivores.

Cats can drink sea water because their kidneys can filter sea water and remove salt content from it.

Animals also need love and care.

H.w to write and remember these facts about cat.

To read this story lesson two time.
