---

**Dear students,** today I will make you introduce a new lesson and that is – **Teeth.**

If I ask you how many teeth do you have in your mouth, I hope you will start to count yourself or you will ask your friend to count your teeth? It is not good because of **COVID 19**; means due to **Corona Virus**. That's why you have to start your study the present chapter which is related to 'Teeth.

**Teeth** are an **important** part of our mouth. They help us in **speaking** clearly. Clean and shining teeth make our smile charming. However, the most important **function** of the teeth is to chew the food that we eat. Teeth break the food into **smaller pieces** and help in the **digestion** of the food.

**A soldier** after losing several teeth in a battle said – 'Every tooth in a man's head is

more valuable than a **diamond.**' This statement shows the importance of teeth.

Dear students, in the above paragraph you have seen that how a soldier compares his tooth to a diamond. Even you can say that you can enjoy your life without diamond; but without teeth your life is meaningless.

**A. Answer the questions:**

- 1. What is more valuable in a man's life – a diamond or a tooth?**
- 2. What is the most important function of the teeth?**

**B. Write True or False:**

- 1. The soldier mentioned in the above paragraph gives the importance of diamond.**
- 2. Teeth are an important part of our mouth.**
