Dear Diary,

I have enjoyed my sports day very well. There were many sport activities conducted for us to participate like sac race, flat race, kabbadi, pair race, sum race , jalebi race ,etc. Also drawing and painting competition. The day was pretty exciting for everyone in the school. The program was inaugurated by our Principal with a speech on "IMPORTANCE OF SPORTS" in one's life. I participated in most of the competitions together with my friends. And, I also won many of them. Apart from winning, I felt the support from my teachers, parents and friends as well. I enjoyed the day completely and had a fine lunch with my Mumma at a restaurant nearer.
