## My class teacher

My favourite teacher's name is Mr Sanjeev kumar.

He is my class teacher and takes our attendance on a daily basis.

Although he has a strict personality, he is very caring and kind by nature.

He is very disciplined and punctual and always comes to class on time.

He teaches us the English subject and tells us a lot of interesting stories.

My teacher gives us a warm hug before we walk in and out of our class every day.

He guides us very well during any school function or competition.

He teaches us to study and share things among our classmates and doesn't give us loads of homework every day.

He helps us in our studies and makes it an interesting learning experience for all students.

My class teacher is like a guide who motivates us to do well in our studies regularly.
