CO- CURRICULAR ACTIVITIES

BASED ON NCERT PATTERN

Good morning my dear Students.

Today is Friday. We will learn about festivals and their importance .

Do you know what is festival??

## What is festival?

**Festival** is a series of performances of music, plays, films/movies, etc, usually organized in the same place once a year; a series of public events connected with a particular activity or idea. It's also a day or period of the year when people stop working to celebrate a special event, often a religious or cultural one.
