The white Elephant

Once upon a time, there lived a herd of eighty thousand elephants at the foothills of the grand Himalayas. Their leader was a majestic white elephant who was extremely kind hearted. He loved his old and blind mother dearly and took great care of her.

Each day the white elephant goes to the jungle in search of the best of wild fruit for his mother. He used to send fruits to his mother through the other elephants in his herds. But they were a bunch of greedy elephants. They used to eat the fruits themselves and never gave anything to the white elephant's mother. The white elephant was completely disappointed with his herd.
