

Class:- 5th.

Subject: English

10/04/2021

Dear students

Today you will know abstract noun and material Noun.

A material noun is a substance which is formed in other forms.

It is in solid, liquid and gas forms.

It is touched, seen, measured and it is uncountable noun.

Ex:- water

Milk

Gold

Silver

Air

Flour

Light

Iron

Ghee

Grass

Wheat

Sugar

An abstract Noun refers quality, state and condition of Noun.

An abstract Noun is always uncountable Noun.

It is only felt but not touched, seen or measured.

Ex: childhood

. **Fears**
