GRAMMAR.

Common and Proper Nouns

Nouns are the names of people, places, animals, and things.

Common nouns are the names given to the things we see around us every day. They are also the Common names given to different types of places or people. For example:

The Suez Canal is a 193 km-long waterway through Egypt that connects the Mediterranean Sea to the Red Sea.

Proper nouns are the special names given to individual places, people or things. For example:

The Suez Canal is a 193 km-long waterway through Egypt that connects the Mediterranean

Sea to the Red Sea.

Underline the common nouns and circle the proper nouns in these sentences. Rewrite the sentences inserting capital letters, wherever necessary.

1. The children go to the green valley international school in gurgaon.

2 An area of about 80,467 square km has been identified as a green corridor around silent valley.
