## **Informal letter**

An informal letter is a letter written to a relative, friend, or anyone else for a personal purpose. We can write personal letters to anyone with whom we have a nonprofessional relationship as well as to colleagues with whom we are friendly. An informal letter is written in a personal style and informal language. It should consist of these sections.

**the writer's address**

**the date**

**the salutation**

**a greeting**

**the message**

**the closing**

Imagine you have just moved to a new city or country. Write an informal letter to your friend telling him/her about your new place and the challenges you are facing there. Also say how you plan to solve them. Keep these points in mind while writing your letter:

Where have you moved, and why?

How do you find the city/country?

What do you like about it?

What are the problems you are facing?

How do you plan to solve the
