## Prefixes

In English, we often form negative words by adding negative prefixes to nouns, adjectives, and verbs. Some common negative prefixes in English are il-, im-, in-, ir-, dis-.

For example:

indigestion

irreparable

**in**visible

Form negative words by adding the above prefixes to these words. Then use the new words in sentences of your own.

1 .....possible

2 .....legal:

3 .....mount:

4 .....literate:

5 .....accurate:

6. ....organic:
