Ch4- Key elements of a democratic government (History)

Summary

Democracy:- Democracy is the government of people, for the people & by the people. (By-Abraham Lincoln)

Conflict:- clash or differences of opinion.

Tenure:- Period of office or term for fixed time.

Majority:- More than half of the members .

Grievances:-Something that you think is unfair & that you complain.

Opposition:-The party or those parties that is not a part of ruling government.

Assisted:- helped

Implements: executes brings into conflict.

Coalition government:- If noone party gets majority, then two or more party joins together to form the government is called coalition government.

People participate in democracy by voting in election, people raise their voice by dharnas, strike, signature campaigns etc.
