Chapter Women Change the World

Very Short Answers Type Question

Q.1. What do people believe about the women?

Answer:

Many people believe that women make better nurses because they are more patient and gentle. It is believed that science requires a technical mind and girls and women are not capable of dealing with technical things.

Question 2.

What was the main role recognized for girls?

Answer:

The main role of girls was recognized as kitchen work and marriage only.

Question 3.

What message do we get from the story of Laxmi Lakra?

Answer:

The story of Laxmi Lakra tells us that girls also can do every job and compete in the exam. The story encourages us all that girls should be given full opportunity in every field of life.

Question 4.

What did children do in the past?

Answer:

In the past, the skill of reading and writing was known to only a few. Most children learnt the work their families or elders did.
