Rewrite the following passage using the correct tense. Simple present or present continuous, of the verbs given in the brackets:

Sunil (1).....(sit) in the waiting hall of his doctor's clinic. Usually he (2).....(keep) good health. But yesterday he got drenched in rain while coming home from the school. It (3).....(appear) that he (4).....(now suffer) from cold, cough and a sore throat. Many people (5).....(think) that a cold is minor disease. So they (6).....(not care) for it . But Sunil's experience (7).....(tell) him that a bad cold can be very troublesome. So he (8).....(not want) to neglect it. The doctor (9).....(examine) some other patient. So Sunil (10).....(wait) for his turn.
