**Read the paragraph. Some of the highlighted verbs have been used incorrectly. Cross them out and write the correct ones. One has been done for you.**

Sandip **love** to play the violin. He **concentrate** so much on playing the violin that some days he **forget** everything else. Neither his father nor his mother **want** him to play the violin all the time. His parents **thinks** it **are** better if he **concentrate** on his studies rather than **plays** the violin. One day Sandip's uncle **arrive** from Delhi and **take** him to the World Criminologists Conference. In the conference, Sandip **hear** an interesting unsolved mystery. He **listen** very carefully and **realise** that the solution lies in the music sheet. He **decode** the music sheet and helps the police **finds** the person behind the thefts.
