Good morning students,

I am again here,with you.

We are discussing on simple present tense.

Today ,I am going to discuss about ,use of

Do and Does.

L-1 Simple Present Tense (continued)

USE OF 'Do' and 'Does' in simple Present Tense.

To form the interrogative and negative sentence

we use helping verb do or does.

About do:

When we use first form of the verb

In simple present tense then we use

helping verb do.

For eg.I write notes from BALIKA VIDYAPEETH APP.

In the above sentence verb write is used in its first form.

If we want to change it in interrogative then we use

helping verb do.

For eg. Do you write notes from B.V.P.App.

Now,it is clear from the above example

that we use do to form the interrogative

sentence in simple present tense.

In the same manner,we use do to form

the negative sentence:

InFor eg. I write notes from B.V.P.App.

Negative:-

I do not write notes from B.V.P.App

Here,to form the negative sentence

We use ,helping verb do +not+write(v1).

**H.W. Read the above study material
carefully and thoroughly.**
