DATE: 5/6/2020

Today is world environment day (5-6-2020). World Environment Day was established by the United Nations General Assembly in 1972 to mark the opening of the Stockholm Conference on the Human Environment.

At present time environment is the major debatable Issue over the world. This year the theme of World Environment Day 2020 is “Celebrate Biodiversity”. “With 1 million species facing extinction, there has never been a more important time to focus on biodiversity. All the inspiration in the

**world is useless if the environment is destroyed by our species.**

**(1) Draw an image and show the environment protection steps.**

**(2) How covid-19 beneficial for the environment? Explain.**
