The Simple Future is used

1. to predict what we think will happen;

as

The festival will last for a week.

One day people will travel to Mars.

We will win the match.

2. to indicate an offer or a promise; as,

I shall post that letter for you.

I will give you a gift, if you pass.

3. to indicate an instant decision (at the moment of speaking); as,

It is very hot. I will put on the fan.

It is my birthday. We will have a party.

4. after verbs and verb phrases like be
sure, think, expect, suppose, hope,
believe, etc.; as,

I hope he will come tomorrow.

I'm sure it will be all right.

I expect We will win the matc
