Imagine you have just moved to a new city or country. Write an informal letter to your friend telling him/her about your new place and the challenges you are facing there. Also say how you plan to solve them. Keep these points in mind while writing your letter:

**Where have you moved, and why?**

**How do you find the city/country?**

**What do you like about it?**

**What are the problems you are facing?**

**How do you plan to solve them?**
