My dear Kanina,

I would like to share with you a pleasant experience. You know my cousin Shankar is in Mumbai. He had invited me to stay with him for a week. I accepted his invitation because I wanted to see Mumbai.

So I went to Mumbai on 14th October. Soon after reaching there. I heard about a conference. It was a conference on ‘How to combat terrorism.’ With the permission of the Chair, I was also allowed to speak there. You can imagine my happiness when I got the appreciation of the crowd. All of them appreciated my point of view. I will give you the details of my speech when we meet.

With love

Yours affectionately

Ravina
