Subject : English.

By R. N. Singh

Use of Must

Must is used to express

(i) Fixed determination; as,

must have my money back.

She must learn Physics.

(ii) Necessity, compulsion or strong moral

obligation; as,

We must be loyal to our country.

I must finish the work today.

(iii) Inevitability; as,

One day man must die.

(iv) Certainty or strong likelihood; as, She must have died by this time.

Mary must have missed the train.
