Biography

A biography is the story of a person's life. It is based on the real experiences and achievements of a person.

Keep the following points in mind while writing a biography.

- * The memorable incidents in the person's life
- * Their favourite memories, turning points
- * Their public image versus their private life
- * Their mantra in life for achieving success

Write the biography of a famous person, who has overcome a particular disability. You can choose any of the following people to write about.

Bharat Kumar: born with one hand, para-swimming champion who has won more than 50 medals

Arunima Sinha: the first Indian amputee to climb Mount Everest

Girish Sharma: amputee, badminton champion, and winner of a gold medal in Paralympic Asia Cup

Albert Einstein: born with a learning disability, was autistic and dyslexic; became one of the greatest scientists the world has seen
