## Poster Making Competition

Posters are used for announcing an event or for rousing consciousness about social or environmental issues.

**They should**

- \* be visually attractive and contain images/artwork.
- \* have catchy phrases and slogans.
- \* have details of the event/product/message.
- \* use different text styles and to display the message.
- \* have the name and contact number of the issuing authority/address of the venue.

As Cultural Secretary of your school, design a poster announcing a play to be staged by the school students as part of the Annual Day celebrations. Mention the title of the play and the date, time and venue of the performance. You can also mention the social message or moral lesson contained in the play. Try to make the poster attractive and interesting, so that it catches the attention of students and teachers.
