Food security in India

Question 1.

Name two co-operative societies working in different parts of the country.

Answer:

Mother Dairy Delhi and Amul in Gujarat.

Question 2.

Which revolution was adopted in July 1968?

Answer:

Green Revolution.

Question 3.

What do you understand by 'seasonal hunger'?

Answer:

Seasonal hunger is related to cycles of food growing and harvesting. This is prevalent in rural areas because of the seasonal nature of agricultural activities and in urban areas because of casual labourers.

Question 4.

Describe the National Food Security Act, 2013.

Answer:

The National Food Security Act, 2013 provides for food and nutritional security life at affordable prices and enables people to live a life with dignity. Under this Act, 75% of the rural population and 50% of the urban population have been categorised as eligible households for food security.

Question 5.
